

MINUTES OF DEEP CREEK DISTRIBUTION SYSTEM

MARCH 28, 1984

Jerry Bronicel, acting as chairman, called the meeting to order at 10:40 a.m.

A report on water conditions was given by Jerry Bronicel.

The chairman read the minutes of the 1983 meeting. Charman Justice asked about what Don Norseth had done about the item on Lynn Martinson's water rights. Jerry Bronicel said he did not know but would have the matter looked into. There were no other questions and no corrections and it was moved and seconded that the minutes stand as read.

The commissioner was not present to give his report on the system.

There was a discussion on getting the weir installed in Mosbey Creek. The weir had been acquired, but has not been put in place as yet.

The budget for 1984 was prepared. There were no changes made from the 1983 budget. It was moved and seconded that the 1984 budget be set at \$5,540.00 with an assessment of \$5,540.00.

The group recommended that Richard Perry be retained as Water Commissioner if he wanted to be the Commissioner.

Charman Justice brought up the question of delinquent assessments. Jerry Bronicel reported that the water user was given every chance to pay before the Commissioner was ordered to cut off water delivery.

There was a request that the commissioner make available the report on water deliveries within the system.

The meeting adjourned at 11:15 a.m.
